AMERICAN PHARMACY

Index
Volume NS28
1988

Prepared by Sydney Schultz, MLS

The annual index is an alphabetical listing of names and subjects. Numbers refer to the serial paging found with the title line at the bottom of each journal page. Pages contained in each issue are shown in the accompanying list. In May issue, several pages between 328 and 344 are misnumbered; the page numbers given in this index are the correct ones.
